

Trenta

SPC COLLECTION

LI-SP01 Candela Amber

Waterproof

Indent Resistant

Sound Tested

Pet Friendly

Formaldehyde Free

Phthalate Free

The Trenta collection replicates the beauty of natural wood with wood grain embossed decorative film on its surface. Its high-standard 20 mil wear layer provides essential scratch resistance, and its rigid core SPC material offers superior stability and a long-lasting lifespan. The Trenta collection has attached acoustic padding that works as a sound suppressant and is essential for shock absorption. The planks are made from 100% eco-friendly ingredients and are entirely formaldehyde free.
